

WRTG 3830

RESEARCH IN TECHNICAL & PROFESSIONAL COMMUNICATION

Fall 2020

Online

Writing 3830 is a gateway course for those interested in pursuing a career in professional & technical communication. This course will introduce you to the foundations of professional & technical writing, workplace writing practices, and the most recent research in digital communication & social media. The class will also explore contemporary issues related to professional communication, from issues of gender & ethics to environmental sustainability.

Students must take WRTG 2010 or equivalent prior to taking this course.
